Understanding How Chase Travel Refunds Work

Chase Travel acts as a travel booking platform rather than the direct provider of flights or hotels. This means refund eligibility depends on the travel supplier's rules.

In general:

- **Airline tickets** follow airline refund policies
- **Hotels** follow hotel cancellation rules 📞 ||+1→888→483→9719
- **Car rentals** depend on rental company policies
- **Vacation packages** may include combined refund conditions

Chase Travel processes the request, but approval usually comes from the travel provider.
