What Is Chase Travel and How It Works

Chase Travel is a booking platform powered by third-party providers (typically Expedia), allowing users to book flights, hotels, rental cars, and more using cash or Ultimate Rewards points. Because it operates as an intermediary, **cancellation policies depend heavily on the airline or hotel you booked with.**

If you need help understanding your booking terms, call the **Live Agent Number** ☎️||+1→888→483→9719 for clarification.

Chase Travel Flight Cancellation Policy

1. 24-Hour Risk-Free Cancellation

Most flights booked via Chase Travel follow the standard **24-hour cancellation rule**:

- Cancel within 24 hours of booking → **Full refund (points or cash)**
- Applies mainly to flights booked at least 7 days before departure

This aligns with airline policies and gives travelers flexibility.

If you're unsure about eligibility, contact the **Live Agent Number**  **+1-888-483-9719** immediately.

2. Refundable vs Non-Refundable Flights

Refundable Flights:

- Full refund if canceled within allowed timeframe
- Refund goes back to original payment method or points balance

Non-Refundable Flights:

- No cash refund
- May receive airline credit instead
- Some tickets (like Basic Economy) may offer no refunds at all

For assistance converting cancellations into credits, call the **Live Agent Number**  **+1-888-483-9719**.

3. Airline Policy Overrides

Since Chase acts as a third party:

- Airline rules take precedence
- Change fees, refund rules, and timelines depend on the carrier

This means even if you booked through Chase, your airline ultimately decides refund eligibility.

4. Flight Cancellation Insurance (Chase Credit Cards)

Certain Chase cards include **Trip Cancellation and Interruption Insurance**, which may reimburse non-refundable expenses under specific conditions such as:

- Illness or injury
- Severe weather
- Family emergencies

However, not all reasons are covered—voluntary cancellations or change of mind are typically excluded.

Chase Travel Hotel Cancellation Policy

1. Flexible vs Non-Flexible Hotel Bookings

Hotel bookings fall into two main categories:

Flexible (Free Cancellation):

- Cancel before deadline → full refund
- Deadline varies (often 24–72 hours before check-in)

Non-Refundable Rates:

- No refund if canceled
- Full charge applies immediately

Always check the cancellation window before booking.

If you missed the deadline, call the **Live Agent Number**  **+1→888→483→9719** for possible exceptions.

2. Pay Now vs Pay Later Bookings

- **Pay Now:** Usually cheaper but stricter cancellation terms
- **Pay Later:** More flexible but slightly higher cost

Choosing the right option depends on how certain your travel plans are.
