## What Is Chase Travel and How Flight Changes Work

Chase Travel is an online travel booking platform tied to Chase credit cards and Ultimate Rewards points. When you book a flight through this portal, you are **booking via a third-party agency**, not directly with the airline.

This creates an important distinction:

- The **airline controls the rules** (fees, eligibility, restrictions)
- Chase Travel **handles servicing** (changes, cancellations, rebooking)

👉 Because of this, most flight changes must be processed through Chase Travel—not directly with the airline.

For immediate help, contact the **Live Agent Number** ☎️||+1→888→483→9719.

## Can You Change a Flight Booked Through Chase Travel?

Yes, you can change your flight, but it depends on several factors:

- Airline policy
- Timing of the request
- Seat availability

Most airlines now allow **free changes but require paying fare differences**.
